Sir,

I have the honour to enclose an application dated 5th January 1897 bearing this office Register No 739, from C. G Rangamah a student of the Bombay Veterinary College to whom a Scholarship of Rs 25 was granted by order No 5432-4 dated 11th November 1896 He requests (1) that his scholarship may be made tenable upto 31st October 1898 as the final examination will hereafter be held in September and not in April as hitherto, (2) that a sum may be granted for the purchase of books and instruments, (3) that his College fee may be paid by the

1 N: 6

Mysore State as the fee of other State scholars is paid by the States sending them for education. I recommend that his first two requests may be granted by Government By Order No 77-78 dated 17th August 1892 a sum of Rs 159-7-0 was granted to N Narasimiengar a former State scholar from Mysore in the Veterinary College I believe no portion of the college fee was given to N Narasimiengar, nor is the College fee ever given to Engineering, Medical or other State scholars The scholarship of Rs 25 is large enough to enable the scholar to pay his fee
